

Unit 1 Speaking test

1 a Work with a partner. Ask and answer the questions and note down the answers. Student A, ask questions using the cues in column A. Student B, ask questions using the cues in column B.

- | A | B |
|--------------------------------|--------------------------------|
| 1 What time / get up? | 1 What time / go to bed? |
| 2 When / birthday? | 2 What / do / at the weekends? |
| 3 What / do / in the evenings? | 3 What sports / do? |
| 4 What music / like? | 4 What TV programmes / like? |

1 b Find a new partner. Tell your new partner about A or B.

2 Work with a partner. Tell your partner five jobs that you do in the house. Three are true and two aren't true! Your partner chooses which are true and which are false.

Example

I tidy my bedroom every evening. That's not true!

Unit 2 Speaking test

1 Tell the class about an animal but don't say its name. Can the class guess the animal? Use the questions to help.

- Is it wild / a farm animal / a pet?
- Is it big / small ?
- Where does it live?
- What does it eat?

2 Work with a partner. Read an advertisement for a zoo. Ask and answer questions to complete the advertisement.

Example

- B What is the name of the zoo?
- A Bingham Zoo.

A

Bingham Zoo is a wonderful place to visit. There is something for everyone in the family.

We open at 7.30 every morning and close at _____.

There are lots of different animals here. We have a small animal section for children. They can see rabbits and ducks and also baby sheep and _____.

The children can go inside with the animals and play with them.

Visit the pool too and see the beautiful dolphins. We feed them at _____ every day.

There are a lot of new baby animals here at the moment too. Come and see 'Betty' the new giraffe – she's already very tall! And there's also 'Marvel' the new _____. He's big too!

If you want to buy presents, our shop is open all day. It sells _____, books and toys.

So for £10 per adult and £_____ per child, a visit to the zoo isn't an expensive day out and you will have a brilliant day!

B

_____ Zoo is a wonderful place to visit. There is something for everyone in the family.

We open at _____ every morning and close at 6.30.

There are lots of different animals here. We have a small animal section for children. They can see rabbits and _____ and also baby sheep and goats.

The children can go inside with the animals and play with them.

Visit the pool too and see the beautiful _____.

We feed them at 12.30 every day.

There are a lot of new baby animals here at the moment too. Come and see 'Betty' the new _____ – she's already very tall! And there's also 'Marvel' the new elephant. He's big too!

You can buy presents in our shop. It's open all day. It sells postcards, books and _____.

So for £_____ per adult and £5 per child, a visit to the zoo isn't an expensive day out and you will have a brilliant day!

Unit 3 Speaking test

- 1** Work with a partner. Student A, ask five questions about last night. Student B, ask five questions about last weekend. Use the verbs and the question words to help you.

watch	eat	meet	go	do	go to bed
phone	programmes	get home			

- 1 What _____?
- 2 Where _____?
- 3 When _____?
- 4 How many _____?
- 5 Who _____?

- 2** Work with a partner. You were on holiday last week. Phone your partner and ask and answer questions. Ask and answer about:

- the weather
- the hotel / campsite, etc
- the food
- what you (he / she) did
- the people you (he / she) met

Unit 4 Speaking test

- 1** Work with a partner. Write a shopping list with ten things on it. Put how many or how much you need. Ask and answer questions to see how many things are on both your lists.

Example

A Have you got tomatoes on your list?

B Yes, I have.

A How many have you got?

- 2** Tell your partner or the class about a favourite meal you had. Use the questions to help you.

- When did you have the meal?
- Where did you have the meal?
- Who you were with?
- What did you eat?
- What it was like?

Unit 5 Speaking test

1 a Work with a partner. Use the cues to ask and answer questions. Note the answers.

Example

A What is your favourite weather?

B I like sunny weather.

1 What / favourite weather?

2 What / do in this weather?

3 What / favourite season?

4 What / weather like / on / last holiday?

5 What / do ?

1 b Find a new partner. Tell your new partner about the old one!

2 Work with a partner. Find five differences between your families. Then tell the class about the differences. Think about these things:

- Big / small
- number of brothers / sisters
- age of brother / sister
- things they are good at

Unit 6 Speaking test

1 Work with a partner. Describe a popular film but don't say the title. Your partner must guess. If he / she can't he / she can ask questions.

Example

It's about a man who lives in the USA. He can do things most people can't do. He can stop trains, climb buildings...

2 Work with a partner. Ask and answer questions about plans for your next school holiday. Use the questions to help you.

- Where are you going to go?
- When are you going to go?
- How are you going to go there?
- What are you going to do there?
